

# Nexus

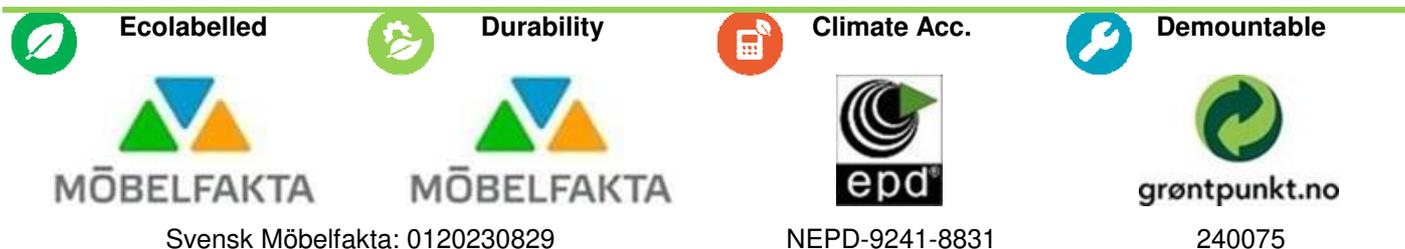

Design: Mikael Pedersen

Nexus recliners are a breath of fresh air in care furniture. Nexus satisfies classic requirements about comfort and functionality, but at the same time appear slim, modern and elegant. The opening between the seat and back makes maintenance easy.

The series includes chairs with high backs that are fixed, with stepless adjustment, have function, as well as an electric lifting mechanism. Alternative seat heights can be offered as well as cushions on armrests and removable covers.

The Nexus family also includes seating group, dining chairs and tables in the same style.

## Selection

Use highest price group if more than one type of fabric.

When providing own fabric, use Price Group A prices.

Addition for matching pattern, price depending on fabric. Expect longer delivery time.

## Mounting

---

Fully assembled.

## Recycling

---

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.

The logo for VAD, featuring the letters 'VAD' in a stylized, rounded, grey font. A small registered trademark symbol (®) is located to the upper right of the letter 'A'.**VAD AS**
