Options

- 1732 Addition for other color on steel parts per unit

Acessories

- 1877 Additional shelf for cabinet medium per shelf, oak HPL
- 1878 Additional shelf for cabinet large per shelf, oak HPL

Construction

Chassis in powder coated steel tubes.
Cabinets in MDF with HPL surface.
Standard selection: Oak, white and black.

Legs

Chassis in black powder coated steel. Other colors available upon request.
Hard plastic pads.

Mounting

Chassis must be mounted on the cabinets.

Recycling

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
