

Mysi

LAD[®]
SEATING GROUPS

Mysi is an appealing seating group with an elegant design language, taking into account ergonomics and function. The furniture provides excellent support with good comfort, so that it naturally fits into many rooms and different areas of use. The physical measurements suit most people, with several customization options, with the possibility of removable and washable clothing. The gap between the seat and back simplifies cleaning and maintenance.

Recycling

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
